SUBJECT INDEX TO VOLUME 78

The following Index is an alphabetical list of significant subjects presented in this volume. Page numbers in the Index refer to the bold face (dark) numbers in the text.

A

Abdomen
- masses, asymptomatic, in infants and children [Benson & Reiners], 688
- lymphangioma, retroperitoneal [Rauch], 45
- mesenchymoma, retroperitoneal, benign [Hellstrom & Fisher], 975
- pneumoperitoneum, spontaneous [Wright], 500
- surgical, acute: duodenal diverticulitis presenting as [Bendersky et al.], 169
- wounds: effect of triethylenethiophosphoramide on [Farhat et al.], 729
- wounds, disrupted: use of synthetic cloth in management [Newsome & Thomas], 593

Abdominoperineal resection
- effects on sexual function in patients with ulcerative colitis [Stahlgren & Ferguson], 604

Achromycin: See tetracycline

Acids: See individual acids by name

Adenocarcinoma
- jejunal, in nonspecific granulomatous enteritis [Weingarten et al.], 483
- treatment by perfusion technique [Reemtsma et al.], 724

Adhesions
- postoperative: acute intestinal obstruction secondary to [Miller & Winfield], 952

Adrenal gland
- adrenal-corticoid depression of adrenal estrogens in mammary cancer [Block et al.], 732

Adrenocorticosteroids
- treatment of acute hemorrhagic pancreatitis [Anderson et al.], 802

Ammonia
- blood: diphasic curves after feeding of protein [Clarke et al.], 835
- control of production in colon with neomycin enemas [Najarian et al.], 844

Anesthesia
- caudal, continuous: perforation of dura by plastic catheter [Hamelberg et al.], 357
- epidural: relative nontoxicity of chloroprocaine [Ansbro et al.], 75

Aneurysm
- abdominal aortic: duodenal obstruction due to [Margoles & Olsen], 591
- arterial, peripheral: surgical considerations [Crawford et al.], 226
- coronary arteriovenous, congenital [Gasul et al.], 203

Antibiotics
- are they wholly responsible for pseudomembranous enterocolitis [Hardaway & McKay], 446
- excretion in pancreatic fluid [Preston et al.], 810

Antifoam A
- toxicity and use [Reed & Kittle], 220

Antitoxin
- clostridial: influence of route of administration on effectiveness [Lindsey et al.], 328

Aorta
- abdominal: aneurysm producing duodenal obstruction [Margoles & Olsen], 591
- abdominal: fate of fresh abdominal aortic implants into abdominal aorta in experimental canine atherosclerosis [Haimovici et al.], 239
- arch, branches: thrombo-obliterative disease ("pulseless disease") [Silber & Rosenberg], 372
- coarctation, elongate [Milloy & Fell], 759
- homografts: clinical and pathologic analysis of rupture [Senderoff et al.], 364
- homografts: late and fatal complications of surgical intervention in ruptured and thrombosed [Sharf & Acker], 67
- and iliofemoral systems: extensive replacements [Dale], 937
- intramural dissection as complication of translumbar aortography [Wolfman & Boblitt], 629
- thoracic, descending: effect of cross clamping on blood flow, blood pressure, and survival [Bounous & King], 519

Aortography
- translumbar: intramural aortic dissection as complication [Wolfman & Boblitt], 629

Appendicitis
- is it decreasing in frequency? [Castleton et al.], 794

Arteries
- aorta-carotid: bypass prosthesis in treatment of "pulseless disease" [Silber & Rosenberg], 372
- coronary: congenital coronary arteriovenous aneurysm [Gasul et al.], 203
- Dacron tube and bidurcation prosthesis produced to specification [Julian et al.], 260
- disease, obliterative: thromboendarterectomy in treatment [Freeman & Nicholson], 280

Arteries—continued
popliteal: anteromedial approach for femoropopliteal arterial grafting [Szilagyi et al.], 647
prostheses, synthetic: effect of infection and exposure [Schramel & Creech], 271
small, anastomoses: prevention of thrombus formation [Engler et al.], 766

Arteries
systemic-pulmonary: massive shunt through multiple pleural adhesions [De Camp & Hatch], 206

Atherosclerosis
canine, experimental: fate of fresh aortic homografts into abdominal aorta [Haimovici et al.], 239

Aureomycin: See Chlortetracycline

B

Bacitracin
effect on clean wounds [Sergeant et al.], 480

Bezoar
gastric [Fredell], 946

Bile ducts
common: reliability of palpation for stones [Brown & Osborne], 310
common: spontaneous perforation [Gertz], 7
common and hepatic: strictures [Walters et al.], 908
ligation: lobar liver atrophy following [Beltran et al.], 380
trauma, accidental: causes and prevention [Hicken et al.], 1

Biliary tract
disease following Billroth II subtotal gastrectomy [Chapa & Engel], 307
dyskinesia: preoperative diagnosis by serial cholecystography [Rose], 56
spontaneous cholecystocholedochal fistula [Murdock], 972

Billroth operations: See Gastrectomy

Bladder
gall: See Gallbladder
urinary: construction of substitute from ileum and colon [Ulm], 122
urinary: results of surgical reconstruction in exstrophy [Jonas], 146

Blood
ammonia: diphasic curves after feeding of protein [Clarke et al.], 835
biochemistry under induced, controlled hypothermia [Moulder et al.], 37
coagulation: clinical determination of fibrinolytic activity [Villavicencio & Warren], 639
coagulation: prevention of thrombus formation in small-artery anastomoses [Engler et al.], 766
coagulation: reversal by Ipsilon of lytic system produced in rabbits by streptokinase [Miller et al.], 33

Blood flow
effect of cross clamping of descending thoracic aorta [Bounous & King], 519

Blood pressure
changes in paraplegics during urological manipulations [Mannion et al.], 949
effect of cross clamping of descending thoracic aorta [Bounous & King], 519

Blood transfusion
incompatible: changes in dog kidney produced by [Hardaway & McKay], 565

Blood vessels
suture, wire [Wolma], 490
vascular dissemination of cancer in children [Grove et al.], 698

Blood volume
automatic control during cardiac bypass for open heart surgery [Kirby et al.], 193

Bones
digital: traumatic epidermoid cysts involving [Sieracki & Kelly], 597

Breast
cancer: adrenal-cortical depression of adrenal estrogens in [Block et al.], 732
cancer: effect of surgery for primary lesion [Byrd et al.], 85
cancer: first metastasis [Trimble et al.], 620
carcinoma: prophylactic castration [Rosenberg & Uhlmann], 376

Bucky table
readily available, for use in surgery [Colt], 550

Bursitis
radiohumeral: prednisolone in treatment [Lamphier et al.], 492

C

Cancer
breast: adrenal-corticoid depression of adrenal estrogens [Block et al.], 732
breast: first metastasis [Trimble et al.], 620
large, of head and neck: reconstruction with loss of hyomandibular complex [Edgerton & McKee], 425
vascular dissemination in children [Grove et al.], 698
wound irrigation to prevent local recurrence [Collier et al.], 528

Carcinoma
breast: prophylactic castration [Rosenberg & Uhlmann], 376
carbon-black, of Stensen's duct [Maisel et al.], 331
metastasizing, of sweat glands: surgical therapy [Jacobson et al.], 574
periampullary: pancreatoduodenectomy for [Hilst et al.], 738
thyroid: place of radical neck surgery in [Block et al.], 706

Cardiovascular system: See also Arteries, Heart, Veins
changing attitudes toward major surgery [Melich], 340
Castration
prophylactic, in carcinoma of breast [Rosenberg & Uhlmann], 376
Charcot joint
orthopedic management [Samilson et al.], 115
Chest
injury, closed, of [Forsee & Blake], 791
pectus excavatum: indications and results in surgical treatment [Lam & Brinkman], 322
Chloramphenicol
effect on clean wounds [Sergeant et al.], 480
Chloromycetin: See Chloramphenicol
Chloroprocaine
relative nontoxicity demonstrated by epidural anesthesia [Ansbro et al.], 75
Chlortetracycline
effect on clean wounds [Sergeant et al.], 480
Cholangiography
operative: congenital absence of gallbladder diagnosed by [Geraci], 437
Cholecystitis: See also Gallbladder
acute [McEachern & Sullivan], 300
Cholecystography
serial: preoperative diagnosis of biliary dyskinesia [Rose], 56
Chyle
extravasation: management [Burdette], 815
Circulatory system: See also Blood Vessels
temporary exclusion of liver from: method for metabolic studies in animals [Dakin et al.], 856
Cirrhosis: See under Liver
Clostridium
antitoxin: influence of route of administration on effectiveness [Lindsey et al.], 328
Coccidioidomycosis
peritoneal [Crum], 91
Colitis
ulcerative: effects of abdominoperineal resection on sexual function in patients with [Stahlgren & Ferguson], 604
Colon
ammonia production: control with neomycin enemas [Najarian et al.], 844
ileum and: construction of substitute urinary bladder from [Ulm], 122
incarceration in hiatus hernia, producing duodenal obstruction [Khilnani et al.], 586
leukemic infiltration of, unusual cause of massive melena [Wolma & Lynch], 71
Colon—continued
resection, obstructive, for acute conditions [Williams et al.], 538
Colostomy
proximal: when performed for gastrojenunocolic fistula [Johnstone], 472
Cysts
epidermoid, traumatic, involving distal digital phalanx [Sieracki & Kelly], 597

D

Dacron
elasticized: arterial prosthesis [Dale & Niguidula], 246
tube and bifurcation arterial prosthesis produced to specification [Julian et al.], 260
Diatrizoate
evaluation as opacification medium [Massell et al.], 293
Digits
bones: traumatic epidermoid cysts involving [Sieracki & Kelly], 597
Diprotrizoate
evaluation as opacification medium [Massell et al.], 293
Diverticulitis: See Duodenum
Diverticulum, Meckel's: See Meckel's diverticulum
Duodenum
diverticulitis presenting as acute surgical abdomen [Bendersky et al.], 169
hematoma, intramural [Rowe et al.], 560
obstruction, produced by incarceration of colon in hiatus hernia [Khilnani et al.], 586
peri-Vaterine diverticulum: acute pancreatitis due to [Hoffman], 177

E

Ectopia
cordis: case in one of twins [Hurwitt & Lebendiger], 197
EDITORIALS
Intestinal Phase of Gastric Secretion [Dragstedt], 498
Electroencephalography
patterns during intracardiac surgery using cardiopulmonary bypass [Kavan et al.], 151
Emphysema
pulmonary: peptic ulcer and [Silen et al.], 897
Endotoxin
shock due to: physiological approach to successful treatment [Lillehei & MacLean], 464
Enterocolitis
granulomatous: adenocarcinoma of jejunum in [Weingarten et al.], 483

Enterocolitis—continued
pseudomembranous: are antibiotics wholly responsible? [Hardaway & McKay], 446
Epicondylitis
humeral, radiobursitis, and radiohumeral synovitis: prednisolone in treatment [Lamphier et al.], 492
Epsilon-amino-caproic acid: See Ipsilon
Esophagitis
balanced operations for, associated with esophageal hiatal hernia [Berman & Berman], 889
peptic: relationship to spontaneous rupture of esophagus [Dorsey et al.], 878
Esophagus
atresia, congenital: jejunal transplant for [Caldwell], 524
rupture, spontaneous: relationship to peptic esophagitis [Dorsey et al.], 878
Estrogens
adrenal: adrenal-corticoid depression of, in mammary cancer [Block et al.], 732
Exercise (physical)
and limb circulation [Winsor et al.], 184
Extremities
circulation: effect of exercise in health and disease [Winsor et al.], 184

F

Fat emulsion
clinical intravenous use in surgical patients [Marshall], 851
Fibrinolysis
evaluation of methods of clinical determination [Villavicencio & Warren], 639
Fistula
cholecystocholedochal, spontaneous [Murdock], 972
duodenocolic, benign [Starzl et al.], 611
gastrojejunocolic: when should proximal colostomy be performed? [Johnstone], 472
residual, infected, or draining: suction in control [Vandenbos et al.], 962
Funnel chest: See Chest pectus excavatum

G

Gallbladder
absence, congenital [Carnevalli & Kunath], 440
absence, congenital, diagnosed by operative cholangiography [Carnevali & Kunath], 440
mixed tumors [Higgins & Turner], 173
Gallstones
and pregnancy [Large et al.], 966
Gastrectomy
Billroth II subtotal: biliary tract disease following [Chapa & Engel], 307
Gastrectomy—continued
subtotal, radical, for peptic ulcer disease [Hoar], 384
Gastrointestinal tract
lymphomas, primary [Jackson & Coady], 458
upper: x-ray examination in hemorrhage from [Rigler], 513
Gastrostomy
use in pediatric surgery [Martin & Fultz], 904
Goiter
exophthalmic, thyroidectomy, and life [Bartlett], 703
Grafts and grafting
aortic-iliac-femoral, extensive [Dale], 937
arterial: Dacron tube and bifurcation prosthesis produced to specification [Julian et al.], 260
arterial, femoropopliteal: anteromedial approach to popliteal artery [Szilagyi et al.], 647
arterial, synthetic, prostheses: effect of infection and exposure [Schramel & Creech], 271
arteries: elasticized Dacron as arterial prosthesis [Dale & Niguidula], 246
atrial grafts for closure of cardiac defects [Fitzpatrick et al.], 212
bone, autogenous, cortical: P^{32} study of revascularization in rabbit [Ferguson et al.], 551
homografts, aortic: clinical and pathologic analysis of rupture [Senderoff et al.], 364
homografts, aortic: fate of fresh aortic implants into abdominal aorta in experimental canine atherosclerosis [Haimovici et al.], 239
homografts, aortic: late and fatal complications of surgical intervention in ruptured and thrombosed [Sharf & Acker], 67
jejunal transplant for congenital esophageal atresia [Caldwell], 524
Marlex mesh: plastic mesh for replacing tissue defects [Usher et al.], 133, 138
in venous system [Schauble et al.], 288
Granuloma
eosinophilic, of ileum [Koneman et al.], 923

H

Hand
repair of tendon injuries [Burnham], 316
Head
and neck: malignant disease in childhood [Southwick et al.], 678
Heart
arrest, cardiac: cardiac monitoring during surgery in general hospital [Parsonnet & Bernstein], 393

Heart—continued
biochemistry under induced, controlled hypothermia [Moulder et al.], 37
failure: intractable: venoarterial pumping for relief in man [Dickson et al.], 418
surgery: electroencephalographic patterns during cardiopulmonary-bypass procedures [Kavan et al.], 151
surgery, open: blood volume control during cardiac bypass [Kirby et al.], 193
surgery: reoperation for disruption of repair of interventricular septal defect [Callaghan et al.], 755
surgery: simultaneous repair of mitral and tricuspid valves through right atrium and interatrial septum [Julian et al.], 745
surgery: use of atrial grafts for closure of cardiac defects [Fitzpatrick et al.], 212
tumors: cardiac myxoma [Cooley et al.], 410

Heat
-sterilized sutures: comparative effect on wound healing [Postlethwait et al.], 958

Hematoma
acute obstruction of small intestine secondary to, in children [Mestel et al.], 25
intramural, of duodenum [Rowe et al.], 580
intramural, intestinal: rare cause of intestinal obstruction [Gordon et al.], 556

Hemorrhage
cirrhosis with [Taylor & Jontz], 788
upper gastrointestinal tract: x-ray examination [Rigler], 513

Hemorrhoidectomy
freedom from pain after: operative technique and results [Bartlett], 916

Hernia
hiatal, esophageal: balanced operations for esophagitis associated with [Berman & Berman], 889
hiatus: incarceration of colon in, producing duodenal obstruction [Khilnani et al.], 586
obturator: small bowel obstruction due to [Fredell], 96
repair: adjuncts [Smith], 868
umbilical, in infants and children: simplified technique for correction [Keeley], 353

Hip
postoperative chronic osteomyelitis of joint in adults [Michels et al.], 108

"Human values in Medicine" [Shumacker], 181

Humerus
epicondylitis: prednisolone in treatment [Lamphier et al.], 492

Hyomandibular complex
reconstruction with loss of, in excision of large cancers [Edgerton & McKee], 425

Hypaque: See Diatrizoate

Hypothermia
biochemistry of blood, heart, and skeletal muscle under [Moulder et al.], 37

I

Ileocecal valve
hypertrophy: plastic repair [Salem & McGee], 928

Ileum
and colon: construction of substitute urinary bladder from [Ulm], 122
granuloma, eosinophilic [Koneman et al.], 923

International Cardiovascular Society
North American Chapter: sixth scientific meeting; papers presented 181-299

Intestines: See also Enterocolitis; Gastrointestinal tract; Ileum
obstruction, acute, secondary to postoperative adhesions [Miller & Winfield], 952
obstruction: traumatic intramural hematoma associated with leiomyoma of jejunum as rare cause [Gordon et al.], 556
small: acute obstruction secondary to hematoma in children [Mestel et al.], 25
small: obstruction due to obturator hernia [Fredell], 96
small: scleroderma as cause of obstruction [Herrington], 17

Ipsilon (epsilon-amino-caproic acid)
reversal of lytic system in blood stream produced by streptokinase [Miller et al.], 33

J

Jaundice
neonatal: diagnosis by serum transaminase determinations [Kove et al.], 157

Jejunum
adenocarcinoma of, in nonspecific granulomatous enteritis [Weingarten et al.], 483
leiomyoma of, in newborn: successful resection [Breuder et al.], 969
leiomyoma: traumatic intramural hematoma associated with, as rare cause of intestinal obstruction [Gordon et al.], 556
transplant for congenital esophageal ulcer [Caldwell], 524

Joints
hip: postoperative chronic osteomyelitis in adults [Michels et al.], 108
neuropathic: orthopedic management [Samilson et al.], 115

K

Kidneys
canine: changes produced by incompatible blood transfusion [Hardaway & McKay], 565
function: recovery of, after ureteral deligation [Hinman], 518

L

Laryngocele
external [DeRosario et al.], 422
Leiomyoma
jejunal, in newborn: successful resection [Breuder et al.], 969
Leukemia
infiltration of colon, unusual cause of massive melena [Wolma & Lynch], 71
Lipomul: See Fat emulsion
Liver
canine, arterialized: bacteriological studies [Cobb et al.], 546
canine: experimental arterialization [Cobb], 543
cirrhosis: bleeding varices due to [Hellenbeck et al.], 774
cirrhosis with hemorrhage [Taylor & Jontz], 786
lobar atrophy following ligation of bile ducts [Beltran et al.], 380
temporary exclusion from circulatory system [Dakin et al.], 856
Lungs
emphysema, pulmonary: peptic ulcer and [Silen et al.], 897
resection for metastatic tumors [Habein et al.], 716
Lymphangioma
retroperitoneal [Rauch], 45

M

Marlex mesh
replacement for tissue defects: experimental studies [Usher & Gannon], 131; clinical studies [Usher et al.], 138
Meckel's diverticulum
case diagnosed by x-ray [Barrick & Fry], 934
Medicine (profession)
challenge in literature [Brown], 671
human values [Shumacker], 181
Melena
massive: leukemia infiltration of colon unusual cause of [Wolma & Lynch], 71
Mesenchymoma
retroperitoneal, benign [Hellstrom & Fisher], 975
Methyl-bis(betachloroethyl)amine-N-oxide hydrochloride: See Nitromin
Meticortelone: See Prednisolone
Miokon: See Diprotrizoate
Muscle
skeletal: biochemistry under induced, controlled hypothermia [Moulder et al.], 37
Myxoma
cardiac: surgical treatment [Cooley et al.], 410

N

Nasopharynx
excision of obstructing retropharyngeal tumor in infant [Perzik et al.], 503
Neck
head and: malignant disease in childhood [Southwick et al.], 678
surgery, radical, in thyroid carcinoma [Block et al.], 706
Neomycin
effect on clean wounds [Sergeant et al.], 480
enemas: control of ammonia production in colon [Najarian et al.], 844
Nesacaine: See Chloroprocaine
Newborn
jaundice, neonatal, diagnosed by serum transaminase [Kove et al.], 157
leiomyoma of jejunum in; successful resection [Breuder et al.], 969
Nitromin
palliative chemotherapy of solid tumors with [Mrazek & Economou], 51

O

Osteomyelitis
chronic, postoperative, of hip joint [Michels et al.], 108
Ovaries
cystomas [De Santo et al.], 98
Oxytetracycline
effect on clean wounds [Sergeant et al.], 480

P

P^{32}: See Phosphorus, radioactive
Pain
freedom from after hemorrhoidectomy: operative procedure and results [Bartlett], 916
Palpation
reliability for common duct stones [Brown & Osborne], 310
Pancreas
excretion of antibiotics in pancreatic fluid [Preston et al.], 810
pseudocysts: transgastric catheter drainage [Brewer & Shumway], 79
Pancreatitis
acute, due to peri-Vaterine duodenal diverticulum [Hoffman], 177
hemorrhagic, acute: treatment with adrenocorticosteroids [Anderson et al.], 802

Pancreatoduodenectomy
for periampullary carcinoma [Hilst et al.], 738
PANEL DISCUSSION
Management of Complications of Duodenal Ulcer, 507-517
Paraplegia
blood pressure changes in persons with, during urological manipulations [Mannion et al.], 949
Parotid duct
carcinoma, carbon-black, of [Maisel et al.], 331
Pectus excavatum: See Chest
Pelvis
fracture: division of pubis for massive hemorrhage [Spencer & Robinson], 535
Perfusion
treatment of selected adenocarcinomas [Reemtsma et al.], 724
Peritoneum
coccidioidomycosis [Crum], 91
Phosphorus
radioactive: study of revascularization of autogenous cortical bone grafts [Ferguson et al.], 551
Pilonidal sinus
treatment by primary closure [Turner & O'Neil], 398
Pleura
adhesions, multiple: massive systemic-pulmonary shunt through [De Camp & Hatch], 206
Pneumoperitoneum
spontaneous [Wright], 500
Polymixin B
effect on clean wounds [Sergeant et al.], 480
Portal hypertension
shunt procedures for: analysis of 42 cases [Sedgwick & Hume], 359
Potassium
intracellular: in vitro incorporation of Rb^{86} by erythrocyte as index [Henegar et al.], 862
Prednisolone
in treatment of epicondylitis, radiohumeral bursitis, and radiohumeral synovitis [Lamphier et al.], 492
Pregnancy
gallstones and [Large et al.], 966
Protein
diphasic blood ammonia curves after feeding protein [Clarke et al.], 835
Pubis
division for massive hemorrhage from fractures of pelvis [Spencer & Robinson], 535
"Pulseless disease"
aortic-carotid bypass prosthesis [Silber & Rosenberg], 372
Pyloroplasty
vagotomy and, in chronic duodenal ulcer [Smith & Farris], 652

R

Radiation: See also Roentgenography
-sterilized sutures: compartive effect on wound healing [Postlethwait et al.], 958
Radiography: See Roentgenography
Rb^{86}: See Rubidium, radioactive
Renografin: See Diatrizoate
Roentgenography
Bucky table, readily available, for use in surgery [Colt], 550
evaluation of opacification media, diatrizoate and diprotrizoate [Massell et al.], 293
examination in hemorrhage from upper gastrointestinal tract [Rigler], 513
Meckel's diverticulum diagnosed by [Barrick & Fry], 934
Rubidium, radioactive
in vitro incorporation by erythrocyte as index of intracellular potassium [Henegar et al.], 862

S

Salivary glands
tumors: management and results [Garcelon], 12
Scleroderma
cause of small-bowel obstruction [Herrington], 17
Sex
function: effects of abdominoperineal resection on, in patients with ulcerative colitis [Stahlgren & Ferguson], 604
Shock
endotoxin: physiological approach to successful treatment [Lillehei & MacLean], 464
Shunts
portacaval and splenorenal, for bleeding varices due to cirrhosis [Hallenbeck et al.], 774
Skin
first-day removal of sutures [Sakson], 304
Spinal cord
dura: perforation by plastic catheter during continuous caudal anesthesia [Hamelberg et al.], 357
Spleen
normal: spontaneous rupture [Brodman & Bautista O], 406
Splenectomy
for bleeding varices due to cirrhosis [Hallenbeck et al.], 774
Stensen's duct: See Parotid duct
Stomach
bezoar, gastric [Fredell], 946

Stomach—continued
secretion, gastric: control by antrum [Harrison et al.], 837
secretion: intestinal phase of gastric secretion [Dragstedt], 498
transgastric catheter drainage of pancreatic pseudocysts [Brewer & Shumway], 79

Streptokinase
antiplasmin action: reversal in rabbits by Ipsilon [Miller et al.], 33

Suction
control of residual, infected, or draining cavities, tracts, and fistulas [Vandenbos et al.], 962

Surgery
cardiac: reoperation for disruption of repair of interventricular septal defect [Callaghan et al.], 755
cardiac: simultaneous repair of mitral and tricuspid valves through right atrium and interatrial septum [Julian et al.], 745
neck, radical: in thyroid carcinoma [Block et al.], 706
orthopedic: management of Charcot joints [Samilson et al.], 115
pediatric: gastrostomy in [Martin & Fultz], 904
urologic: blood pressure changes in paraplegics during [Mannion et al.], 949

SURGERY ILLUSTRATED
Diagnosis of neonatal jaundice by serum transaminase [Kove et al.], 157
Thoracic tumors of childhood [Dargeon & Tan], 660

Sutures
heat-sterilized and irradiation-sterilized: comparative influence on wound healing [Postlethwait et al.], 958
skin: first-day removal [Sakson], 304
wire, for blood vessels [Wolma], 490

Sweat glands
carcinoma, metastasizing: surgical therapy [Jacobson et al.], 574

Synovitis
radiohumeral: prednisolone in treatment [Lamphier et al.], 492

Synthetic cloth
use in management of disrupted abdominal wounds [Newsome & Thomas], 593

T

Takayasu's disease: See "Pulseless disease"

Tendons
injuries in hand: surgical repair [Burnham], 316

Terramycin: See Oxytetracycline

Tetracycline
effect on clean wounds [Sergeant et al.], 480

Thio-TEPA: See Triethylenethiophosphoramide

Thorax
tumors of, of childhood [Dargeon & Tan], 660

Thromboendarterectomy
in treatment of obliterative arterial disease [Freeman & Nicholson], 280

Thrombus formation: See Blood, coagulation

Thumb
reconstruction, subtotal [Kelly], 582

Thyroid gland
carcinoma: radical neck surgery in [Block et al.], 706

Thyroidectomy
goiter, exophthalmic, and life [Bartlett], 703

Transaminase, serum
diagnosis of neonatal jaundice by [Kove et al.], 157

Triethylenethiophosphoramide
effect on healing of abdominal wounds [Farhat et al.], 729

Tumors
metastatic: pulmonary resection [Habein et al.], 716
solid: palliative therapy with Nitromin [Mrazek & Economou], 51

U

Ulcer
duodenal, chronic: vagotomy and pyloroplasty, with special reference to technique [Smith & Farris], 652
duodenal: prognosis when patient develops marginal ulcer after subtotal resection [Walters], 516
marginal: prognosis after subtotal resection for duodenal ulcer [Walters], 516
peptic, bleeding: indications for emergency operation [Baker], 507
peptic: management of complications [Kirsner], 510
peptic, and pulmonary emphysema [Silen et al.], 897
peptic: radical subtotal gastrectomy for [Hoar], 384

Umbilicus
hernia, umbilical: in infants and children: simplified technique for correction [Keeley], 353

Ureters
deligation: recovery of renal function after [Hinman], 518

V

Vagotomy
and pyloroplasty in chronic duodenal ulcer [Smith & Farris], 652

Varices
bleeding, due to cirrhosis [Hellenbeck et al.], 774
Veins
grafts in venous system [Schauble et al.], 288

W

Western Surgical Association
sixty-sixth annual meeting: papers delivered 671-922
Wounds
abdominal: effect of triethylenethiophosphoramide on [Farhat et al.], 729
abdominal, disrupted: use of synthetic cloth [Newsome & Thomas], 593
clean: effect of antibacterial agents on [Sergeant et al.], 480
operative: irrigation to prevent local recurrence of cancer [Collier et al.], 528
comparison of heat-sterilized and irradiation-sterilized sutures in healing [Postlethwait et al.], 958

SUBJECT INDEX TO VOLUME 79

The following Index is an alphabetical list of significant subjects presented in this volume. Page numbers in the Index refer to the bold face (dark) numbers in the text.

A

Abdomen
- crisis, acute: encountered in idiopathic hyperlipemia [Gailitis & Schreiber], 40
- hemorrhage, intra-abdominal: bluish discoloration of umbilicus as sign for detection of, following trauma [Furste], 600

Adenocarcinoma
- malignant neoplasms of colon and rectum in young persons [Johnson et al.], 366
- primary, of appendix [Whelan & Rast], 838

Adenoma
- adenomatous polyps of rectum: postcolectomy regression of [Cole & Holden], 385
- papillary, of ampulla of Vater [Rock & Fisher], 163

Adrenal gland
- cyst, benign [Armitage], 148
- hypercorticism, functional: surgical management of [Overton et al.], 791

Adrenalectomy
- total bilateral, for functional adrenal hypercorticism [Overton et al.], 791

Adrenocortical steroids
- therapy resulting in unusual gastrointestinal complications [Sautter & Ziffren], 346

Ainhum
- clinical and pathological observations in 3 cases of [Riley & Cantrell], 1013

Ammonia
- metabolism, alterations in: recognition and treatment of (Surgery Illustrated) [Najaria et al.], 621

Ampulla of Vater
- papillary adenoma of [Rock & Fisher], 163

Amputation
- quarterectomy: observations from use of [Bowers], 483

Anesthesia
- antibiotic administration during: potential dangers [Pittinger & Long], 207
- preanesthetic medication: old and new concepts (Surgery Illustrated) [Adriani & Yarberry], 976
- spinal: subdural hematoma following [Welch], 49

Aneurysm
- aortic, ruptured: management of [Storer & Smith], 711

Aneurysm—continued
- vascular abnormalities about parotid gland and upper neck [Rosenfeld], 553

Angiography
- techniques (pictorial film review) [Humphries], 679

Antibiotics
- administration during anesthesia and surgery: potential dangers [Pittinger & Long], 207
- prophylactic postoperative [Barnes et al.], 190
- experimental treatment of tumors with [Buinauskas et al.], 432

Aorta
- abdominal, carcinoma: resection for invasion of recurrent ovarian carcinoma [Lim & McGoon], 614
- abdominal: kidneys in surgery of [Szilagyi et al.], 252
- aneurysm, ruptured: management of [Storer & Smith], 711
- angiography, techniques (pictorial film review) [Humphries], 679
- and bronchus, traumatic transection of [Bleich], 68
- dissection due to translumbar aortography, with recovery following surgery [Takaro et al.], 1023
- embolectomy, second: emergency mitral valvular commissurotomy preceding [Hurwitt et al.], 1009
- fatal rupture of Ivalon (polyvinyl formalinized) sponge aortic graft into duodenum [Brown & Essig], 72
- and iliac arteries, thrombotic occlusion of: surgical treatment [Erskine et al.], 85
- thoracic: deceleration injuries of [Cammack et al.], 244

Aortic Valve
- valvulography and ascending aortography (Surgery Illustrated) [Molnar et al.], 683

Aortography
- ascending, and aortic valvulography (Surgery Illustrated) [Molnar et al.], 683
- translumbar: aortic dissection due to, with recovery following surgery [Takaro et al.], 1023

Appendectomy
- unusual lesions of appendix: findings during [Whelan & Rast], 838

Appendicitis
- acute, in children [Boles et al.], 447

Appendix
lesions, unusual: granulomatous lesion, reticulum-cell sarcoma, and primary adenocarcinoma [Whelan & Rast], 838
vermiform: intussusception of, presenting clinically as cecal carcinoma [Campbell & McCormick], 825

Arms
lymphangiosarcoma in postmastectomy lymphedematous arm [Fry et al.], 440

Arteries
carotid, occlusion [Smathers & Smathers], 276
coronary, fistula to right ventricle: surgical obliteration of [Swan et al.], 820
iliac and aorta, thrombotic occlusion of: surgical treatment [Erskine et al.], 85
mammary, internal: implants into ischemic dog ventricles [Pearl et al.], 497
peripheral: problems in treatment in disease of [Baffes et al.], 52
popliteal, injury: compound dislocation of knee in association with [Raffensperger & Hinkamp], 799
renal, stenosis: revascularization of kidney in hypertension due to [Luke & Levitan], 269
replacement: reinforced Ivalon sponge as prosthetic material [Andersen & Senning], 542
splenic: special anatomy in reference to use as vascular graft [Lowenberg], 135

B

Bacteria
role of, in irreversible hemorrhagic shock: experimental studies [Culbertson et al.], 185

Barium sulfate
in diagnosis of small-intestinal gallstone ileus [Drucker], 22

Barrier cream (water-repellent)
use of Kerodex 71 to protect skin from irritating discharges [Rubin], 688

Bile
bilious vomiting: double jejunal-loop replacement of resected stomach for [Walters & Nixon], 479
gallbladder: drying test of, as new method for diagnosis of gallstones [Miyake], 1032

Bile ducts
common: spontaneous perforation of [Rubin & Stahlgren], 1018

Biliary tract
biliary lithiasis and pancreatitis: serum amylase concentration in [Bernard et al.], 311
calculous disease of (Surgery Illustrated) [Thorbjarnarson et al.], 939

Blood
cells, red, washed human: removal of sodium-copper chlorophyllin from solutions by [Miller et al.], 617
circulation, peripheral: effects of pressure breathing on [Moerch et al.], 493
coagulation: effect of intravenous fat emulsion on [Werr & Preston], 213
volume and right atrial pressure: relationship between, in postoperative patients [Hughes & Magovern], 238

Brain
abscess and osteomyelitis following skull traction [Tindall et al.], 638
ischemia, intermittent: use of, and hypothermia in surgical approach to intracranial vascular lesions [Porter & Hayes], 801

Breast
cancer: lymphangiosarcoma in postmastectomy lymphedamatous arm [Fry et al.], 440
fibrocystic disease of: relationship to mammary carcinoma [Hodge et al.], 670

Bronchi
and aorta: traumatic transection of [Bleich], 68

Bronchiectasis
Kartagener's syndrome [Streete & Stull], 156

Burns
tracheotomy in [Moncrief], 45
wound eschar: method for removal or debridement of [Schumer], 630

C

Cancer
incidence of: surgical and nonsurgical treatment of gastric ulcer [Berry & Schmidt], 326
palliation: extracorporeal pump perfusion of radioactive isotopes and nitrogen mustard in [Hickey et al.], 416
treatment by perfusion (Surgery Illustrated) [Creech et al.], 963
treatment with antibodies: experimental [Buinauskas et al.], 432

Capillary tube
reliable, clotting time method: in prevention of primary postoperative thrombosis [McNickle], 775

Carcinoid syndrome
malignant (Surgery Illustrated) [Wilson & Storer], 917

Carcinoma
of ovary: resection of abdominal aorta for malignant invasion of recurrent [Lim & McGoon], 614
primary, of liver: case report and review of literature [Minichan et al.], 114

Carcinoma—continued
squamous-cell, arising in mandibular gingiva: results of treatment [Erich & Kragh], 100
squamous-cell, of floor of mouth: treatment [Erich & Kragh], 94
Walker, 256, implanted in rat liver: effect of induced infarction on [Kraus & Beltran], 769
Cardiophrenic angle
paracardiac masses in children: use of pneumoperitoneum in differential diagnosis [Baker et al.], 63
Cardiotomy
open: suction apparatus for use during [Watkins & Hering], 35
Cardiotonic agent: See Mephentermine
Cecum
carcinoma: intussusception of vermiform appendix presenting clinically as [Campbell & McCormick], 825
perforation, impending, secondary to crushing injury of pelvis [Moore & Koman], 1044
Chlorophyllin
sodium-copper: removal of, from solutions by washed human red blood cells [Miller et al.], 617
Cholangiography
operative, and cholecystectomy (pictorial film review) [Baker & Walker], 853
operative (pictorial film review) [Ferris & Hodgson], 857
Cholecystectomy
continued complaints following (Surgery Illustrated) [Wall & Whalen], 642
and operative cholangiography (pictorial film review) [Baker & Walker], 853
Cholecystitis: See also Gallbladder
acute noncalcareous, with associated mesenteric adenitis in child [Lary & Howard], 605
Choledochal cyst: See Cysts, choledochal
Choledochocolic fistula
case report [Hampson & Lehman], 746
Chordoma
metastatic: use of mechlorethamine in therapy of [McSweeney & Sholl], 152
Colectomy
postcolectomy regression of adenomatous polyps of rectum [Cole & Holden], 385
Colon
carcinoma and diverticula, coexisting: review of 355 cases [Ponka et al.], 373
intussusception, retrograde colonic [Selzer & McGoon], 1021
malignant neoplasms of rectum and, in young persons [Johnson et al.], 365
Colon—continued
mucosa: reaction to surgically diverted gastric juice [Montenegro et al.], 831
sigmoid: pull-through procedure for rectovaginal fistula [Glas], 146
tumors, polypoid: localizing of, at laparotomy with aid of intracolonic transillumination (Surgery Illustrated) [Foley et al.], 915
Conscience
surgical [Altemeier], 167
Coronary arteries: See Arteries, coronary
Cranium bifidum
intranasal encephalomengoceles associated with [Dodge et al.], 75
Creams, barrier
use of Kerodex 71 to protect skin from irritating discharges [Rubin], 688
Cystic duct
diseased remnant [Brown], 304
Cysts
benign, of adrenal gland [Armitage], 148
choledochal, treated by sphincterotomy [Andrews & Ande], 158

D

Debridement
wound [Hoover & Ivins], 701
Deceleration
injuries of thoracic aorta [Cammack et al.], 244
Diaphragm
surgical anatomy of [Zimberg & Weisel], 468
Dumping syndrome
in postgastrectomized patients [Krieger et al.], 333
Duodenum
fatal rupture of Ivalon sponge aortic graft into [Brown & Essig], 72
obstruction, postbulbar (Surgery Illustrated) [Brown & Strittmatter], 999

E

Editorials
postoperative wound infections [Strode], 141
Embolectomy
aortic, second: emergency mitral valvular commissurotomy preceding [Hurwitt et al.], 1009
Embolism
peripheral arterial: recent advancements in treatment of [Krause et al.], 285
Emesis
postoperative: effect of perphenazine on [Cutolo & Kleppel], 666
Emphysema
emphysematous necrotizing pancreatitis [Fischer & Geffen], 567

Encephalomeningocele
intranasal, with cranium bifidum [Dodge et al.], 75

Endarterectomy
technique of, in treatment of Leriche syndrome [Burgess], 487

Enterocolitis
pseudomembranous: experimental induction of, with Staphylococcus aureus and its enterotoxin [Prohaska], 197

Enzymes
debridement, enzymatic: in infected and necrotic wounds [Hoover & Ivins], 708

Esophagitis
balanced operations for, associated with hiatal hernia en masse [Berman & Habegger], 548

Esophagus
epiphrenic diverticulum of: surgical treatment [Effler et al.], 459

EXHIBITS, SCIENTIFIC: See SURGERY ILLUSTRATED

Extremities
angiography: techniques (pictorial film review) [Humphries], 679

F

Face
tumors, surgical removal of: primary repair of defects following (Surgery Illustrated) [Pressman et al.], 921

Fat emulsion
intravenous: effect on blood coagulation [Werr & Preston], 213

Fecalith
arising in Meckel's diverticulum producing intestinal obstruction [Field & Field], 8

Fenestration
tracheal: detailed surgical technique, with report of 26 cases (Surgery Illustrated) [Rockey], 875

Fistula
arteriovenous: vascular abnormalities about parotid gland and upper neck [Rosenfeld], 553
choledochocolic: case report [Hampson & Lehman], 746
congenital, between left coronary circumflex artery and right ventricle [Swan et al.], 820
pancreatic: effect on gastric secretion [Greenlee et al.], 1004
rectovaginal: sigmoid colon pull-through procedure for [Glas], 146

Forearm
fractures (Surgery Illustrated) [Bush et al.], 889

Formalinized polyvinyl sponge (Ivalon): See Sponge, polyvinyl formalinized

Fractures
forearm (Surgery Illustrated) [Bush et al.], 889

G

Gallbladder
bile, drying test of: new method for diagnosis of gallstones [Miyake], 1032
excision: cholecystectomy and operative cholangiography (pictorial film review) [Baker & Walker], 853
excision: continued complaints following cholecystectomy [Wall & Whalen], 642
triplication of [Hause], 144

Gallstones
diagnosis: drying test of gallbladder bile as new method for [Miyake], 1032
pathologic correlation of: review of 1,874 autopsies [Kozoll et al.], 514
small-intestinal ileus due to: barium sulfate in diagnosis [Drucker], 22

Gastrectomy
postgastrectomized patients: correlative study of [Krieger et al.], 333

Gastrointestinal tract
contents: use of barrier cream to protect skin from irritating discharges of [Rubin], 688
hemorrhage, severe: resulting from Recklinghausen's disease [Farrar & Chappell], 106
unusual complications in, from adrenocortical steroid therapy [Sautter & Ziffren], 346

Gastrojejunostomy
experimental analysis of (Surgery Illustrated) [Harkins et al.], 981

Generator
radio-frequency, for production of localized heat in intact animal [Medal et al.], 427

Grafts and grafting
aortic, Ivalon (polyvinyl formalinized) sponge: fatal rupture into duodenum [Brown & Essing], 72
arterial replacement: reinforced Ivalon as prosthetic material for [Andersen & Senning], 542
arteries, splenic: special anatomy in reference to use as [Lowenberg], 135
implants of internal mammary artery into ischemic dog ventricles (Pearl et al.], 497

Granuloma
noncaseating, of appendix [Whelan & Rast], 838

H

Hand
palmar lipoma: report of case [McEnery et al.], 699

Head
injuries, severe, in childhood: use of hypothermia [Hendrick], 362
and neck, malignancies of: cranial and cervical rhizotomy in control of pain for [Wetzel & Biddle], 410

Heart
arrest, cardiac, induced by potassium: use of mephentermine in myocardial depression due to [Cooper et al.], 734
ischemic dog ventricles: implants of internal mammary artery into [Pearl et al.], 497
right atrial pressure and blood volume: relationship between, in postoperative patients [Hughes & Magovern], 238
surgery: closed-chest resuscitation [Hosler & Wolfe], 31
surgery: emergency mitral valvular commissurotomy preceding second aortic embolectomy [Hurwitt et al.], 1009
surgery: extracorporeal circulation and profound hypothermia of 10 to 20 C [Lesage et al.], 607
surgery: obliteration of coronary artery fistula to right ventricle [Swan et al.], 820
surgery, open: for acquired mitral insufficiency [Ellis et al.], 222
surgery, open: radiologic features of isolated ventricular septal defects as basis for selection of patients for surgery [Singleton et al.], 715
surgery, open: suction apparatus for use during [Watkins & Hering], 35
ventricular septal defects, isolated: radiologic features of [Singleton et al.], 715

Heat
localized, in intact animal: controlled radio-frequency generator for production of [Medal et al.], 427

Hematoma
subdural, following spinal anesthesia [Welch], 49

Hemorrhage
experimental: prediction of mortality [Swan et al.], 176
gastrointestinal, severe: resulting from Recklinghausen's disease [Farrar & Chappell], 106
shock in: See Shock, hemorrhagic

Heparin
intravenous: effect on terminal temperature in hypothermic dog [Caranna et al.], 729

Hernia
diaphragmatic, traumatic [Cooley & Rogers], 581
diaphragmatic, traumatic pericardial [Moore], 827
femoral, in infancy and childhood [Mestel et al.], 750

Hernia—continued
hiatal en masse: balanced operations for esophagitis associated with [Berman & Habegger], 548
inguinal, sliding: in female infants [Gans], 109

Hirschsprung's disease
in infants [Jewett et al.], 455
in newborn (Surgery Illustrated) [Swenson & Fisher], 987

Hormones
inhibitory, from gastric antrum: further studies [Dragstedt], 10

Hospitals
thoracic disease: surgical wound infection in [Pecora & Yegian], 632

Humanism
medical history, student of medicine, and [Viets], 1

Hydrotherapeutics
method for removal or debridement of burn wound eschar [Schumer], 630

Hypercorticism
functional adrenal: surgical management of [Overton et al.], 791

Hyperglycemia
reaction of alarm in surgery [Rice et al.], 815

Hyperlipemia
idiopathic: special reference to abdominal and coronary symptoms [Gailitis & Schreiber], 40

Hypertension
due to renal artery stenosis: revascularization of kidney in [Luke & Levitan], 269

Hypothermia
in dog: effect of intravenous heparin on terminal temperature in [Caranna et al.], 729
profound, of 10 to 20 C and extracorporeal circulation [Lesage et al.], 607
use in severe head injuries in childhood [Hendrick], 362
use of, and intermittent cerebral ischemia: in surgical approach to intracranial vascular lesions [Porter & Hayes], 801

I

Ileostomy
dysfunction: segmental motor paralysis as probable cause of [Meaney & Hughes], 847

Ileus
gallstone, small-intestinal: use of barium sulfate per os in diagnosis [Drucker], 22

Infections
wound, postoperative (editorial) [Strode], 141

Intestines
antiperistaltic bowel segments: effect on intestinal emptying time [Hammer et al.], 537
atresia: attempt to relate location to embryologic processes [Lynn & Espinas], 357
intussusception: See Intussusception
obstruction in newborn: due to Hirschsprung's disease (Surgery Illustrated) [Swenson & Fisher], 987
obstruction produced by fecalith arising in Meckel's diverticulum [Field & Field], 8
obstruction: segmental motor paralysis as probable cause of [Meaney & Hughes], 847
obstruction, strangulated intestinal: pathophysiology and management [Barnett], 864
pneumatosis cystoides intestinalis with intussusception [Cenni & Hands], 570
polyposis, familial [McLachlin], 393
recirculation as aid to absorption: experimental study [Davis et al.] 597
segmental motor paralysis [Meaney & Hughes], 847
small, gallstone ileus: diagnosis [Drucker], 22
small, primary neoplasms of: analysis of 102 cases [Broders et al.], 753
strangulated intestinal obstruction: pathophysiology and management (Surgery Illustrated) [Barnett], 864

Intussusception
pneumatosis cystoides intestinalis with [Cenni & Hands], 570
retrograde colonic [Selzer & McGoon], 1021
sigmoidorectal, in children [Tullis & Welsh], 690

Isotopes, radioactive: See Radioactive isotopes

Ivalon sponge: See Sponge, polyvinyl formalinized

J

Jejunum
double jejunal-loop replacement of resected stomach for bilious vomiting [Walters & Nixon], 479

K

Kartagener's syndrome
case [Streete & Stull], 156

Kerodex 71: See Barrier cream

Kidneys
in surgery of abdominal aorta [Szilagyi et al.], 252
revascularization of, in hypertension due to renal artery stenosis [Luke & Levitan], 269
transplantation in man [Gritsman et al.], 693

Knee
compound dislocation of, with popliteal artery injury [Raffensperger & Hinkamp], 799

L

Lectures
medical history, humanism, and student of medicine [Viets], 1

Leriche syndrome
surgical treatment [Erskine et al.], 85
treatment of: technique of endarterectomy [Burgess], 487

Lipoma
palmar: report of case [McEnery et al.], 699

Lips
surgery: primary repair of defects following surgical removal of tumors of face (Surgery Illustrated) [Pressman et al.], 921

Liver
carcinoma, primary: case report and review of literature [Minichan et al.], 114
Walker carcinoma 256, implanted in: effect of induced infarction on [Kraus & Beltran], 769

Lymphangiosarcoma
in postmastectomy lymphedematous arm [Fry et al.], 440

M

Mandibular gingiva
squamous-cell carcinoma: results of treatment [Erich & Kragh], 100

Mechlorethamine
in cancer palliation: extracorporeal pump perfusion of nitrogen mustard [Hickey et al.], 416
use of nitrogen mustard in chordoma therapy [McSweeney & Sholl], 152

Meckel's diverticulum
intestinal obstruction produced by fecalith arising in [Field & Field], 8

Medical students
medical history, humanism, and [Viets], 1

Medicine (profession)
history, humanism, and student of [Viets], 1

Meninges
subdural hematoma following spinal anesthesia [Welch], 49

Mephentermine
cardiotonic agent: use in myocardial depression due to potassium [Cooper et al.], 734

Mesentery
adenitis: associated with acute noncalcareous cholecystitis in child [Lary & Howard], 605

Mitral valve
commissurotomy, emergency, preceding second aortic embolectomy [Hurwitt et al.], 1009
insufficiency, acquired: open heart surgery for [Ellis et al.], 222
stenosis: roentgen diagnosis of [Kirsh & Kinney], 785

Mouth
floor of, squamous-cell carcinoma: treatment of [Erich & Kragh], 94

Mucosa
colic: reaction to surgically diverted gastric juice [Montenegro et al.], 831

Myocardium
depression due to potassium: use of cardiotonic agent (mephentermine) in [Cooper et al.], 734

N

Naval Medical Research Laboratory: See United States Naval Medical Research Laboratory

Neck
and head, malignancies of: cranial and cervical rhizotomy in control of pain for [Wetzel & Biddle], 410
upper and parotid gland: vascular abnormalities about [Rosenfeld], 553

Neoplasms: See Cancer; Sarcoma; Tumors; and under organs and regions

Newborn infants
Hirschsprung's disease in newborn (Surgery Illustrated) [Swenson & Fisher], 987

Nitrogen mustard: See Mechlorethamine

Nose
encephalomeningoceles: associated with cranium bifidum [Dodge et al.], 75
surgery, role of nasofrontal suture in rhinoplasty: hump removal simplified [Neivert], 696

O

Omentum
greater: infarction, primary idiopathic segmental [Halligan & Rabiah], 738

Orchiopexy
(Surgery Illustrated) [Keeley], 994

Osteomyelitis
and brain abscess following skull traction [Tindall et al.], 638

Ovary
carcinoma, recurrent: resection of abdominal aorta for invasion of [Lim & McGoon], 614
tumors in childhood: 6 new cases and review of literature [Charache], 573

P

Palm: See Hand

Pancreas
biopsy with Vim-Silverman needle [Cote et al.], 588

Pancreatitis
chronic: surgical management of (Surgery Illustrated) [Hill et al.], 951
emphysematous necrotizing [Fischer & Geffen], 567
serum amylase concentration in biliary lithiasis and [Bernard et al.], 311

Paracardiac masses
in children: use of pneumoperitoneum in differential diagnosis [Baker et al.], 63

Paranasal sinuses
sinusitis: Kartagener's syndrome [Streete & Stull], 156

Parotid gland
tumors: their surgical management (Surgery Illustrated) [Beahrs et al.], 900
vascular abnormalities about upper neck and [Rosenfeld], 553

Pelvis
injury, crushing: impending cecal perforation secondary to [Moore & Koman], 1044

Perfusion
extracorporeal pump, of radioactive isotopes and nitrogen mustard: in cancer palliation [Hickey et al.], 416
treatment of cancer by (Surgery Illustrated) [Creech et al.], 963

Pericardium
hernia, traumatic diaphragmatic [Moore], 827

Perphenazine
effect on postoperative emesis [Cutolo & Kleppel], 666

PICTORIAL FILM REVIEW
Aortic valvulography and ascending aortography [Molnar et al.], 683
Cholecystectomy and operative cholangiography [Baker & Walker], 853

Pneumatosis cystoides intestinalis: See under Intestines

Pneumoperitoneum
in differential diagnosis of paracardiac masses in children [Baker et al.], 63

Polyvinyl formalinized sponge: See Sponge, polyvinyl formalinized

Potassium citrate
myocardial depression due to: use of cardiotonic agent (Mephentermine) [Cooper et al.], 734

Pressure breathing
effects of peripheral circulation [Moerch et al.], 493

Prostate
carcinoma, with metastases to testicle [Ney et al.], 1028
Prostheses
reinforced Ivalon sponge for arterial replacement [Andersen & Senning], 542
Pterygoid fossa
vascular abnormalities about parotid gland and upper neck [Rosenfeld], 553

Q

Quarterectomy
observations from use of [Bowers], 483

R

Radiation
external: adjuncts to, therapy in cancer palliation [Hickey et al.], 416
Radioactive isotopes
extracorporeal pump perfusion of, as adjuncts to external radiation therapy in cancer palliation [Hickey et al.], 416
Radio-frequency generator
controlled, for production of localized heat [Medal et al.], 427
Radiology
features of isolated ventricular septal defects [Singleton et al.], 715
Recklinghausen's disease
severe gastrointestinal hemorrhage resulting from [Farrar & Chappell], 106
Rectum
adenomatous polyps of: postcolectomy regression [Cole & Holden], 385
intussusception: See Intussusception
malignant neoplasms of colon and, in young persons [Johnson et al.], 365

Skin
use of barrier cream to protect skin from irritating discharges [Rubin], 688
Sphincterotomy
choledochal cyst treated by [Andrews & Ande], 158
evaluation of its physiologic rationale [Eiseman et al.], 294
Spine
fracture-dislocations: skull traction followed by brain abscess and osteomyelitis [Tindall et al.], 638
Sponge
polyvinyl formalinized: fatal rupture of Ivalon sponge aortic graft into duodenum [Brown & Essig], 72
polyvinyl formalinized (Ivalon): as prosthetic material for arterial replacement [Andersen & Senning], 542
Staphylococci
aureus: experimental induction of pseudomembranous enterocolitis with, and its enterotoxin [Prohaska], 197
infection, surgical wound: in thoracic disease hospital [Pecora & Yegian], 632
Stomach
acidity: effect of partial antrectomy and vagotomy in duodenal ulcer surgery [Martin et al.], 507
antral mucosa: resection of, for treatment of duodenal ulcer [Martin et al.], 500
antrum: inhibitory hormone from [Dragstedt et al.], 10
gastric juice: reaction of colic mucosa to surgically diverted [Montenegro et al.], 831
gastric vagotomy, complete: in duodenal ulcer surgery [Martin et al.], 510
partial antrectomy: effect on acidity in duodenal ulcer surgery [Martin et al.], 507
resected: double jejunal-loop replacement of, for bilious vomiting [Walters & Nixon], 479

Stomach—continued
secretion, acid: analysis of secretory responses to gastrojejunostomy (Surgery Illustrated) [Harkins et al.], 981
secretion: effect of pancreatic fistula on [Greenlee et al.], 1004
secretory activity, gastric: uropepsin as reflection of [Jude & Harris], 761

Submarines
U. S. Naval Medical Research Laboratory, U. S. Naval Submarine Base: report [Vogel], 650

Surgery
antibiotic administration during: potential dangers [Pittinger & Long], 207
cardiac: obliteration of coronary artery fistula to right ventricle [Swan et al.], 820
hyperglycemic reaction of alarm in [Rice et al.], 815
postoperative: hyperglycemic reaction of alarm in [Rice et al.], 815
postoperative: prophylactic antibodies [Barnes et al.], 190
